Message from the Principal

Dear Parents, Students, and Members of the King's Reign Community,

Welcome to the July 2026 edition of our school newsletter.

As we prepare to embark on another exciting academic year, July has been an incredibly productive and meaningful month for everyone at King's Reign International School. Behind the scenes, our dedicated team has worked tirelessly to upgrade our facilities, enhance our learning environment, and ensure that every student returns to a campus that is safe, welcoming, and inspiring.

Our teachers and staff participated in comprehensive induction and professional development sessions to align our vision, strengthen our teaching practices, and prepare engaging learning experiences for all students.

We were delighted to welcome our students during Orientation Day and our parents during the Parents' Orientation, where we introduced exciting new initiatives, including our enhanced Extra-Curricular Activities programme and the King's Reign Education Management System (KREMS), designed to strengthen communication and learning.

As we begin Academic Year 2026/2027, we remain committed to nurturing confident, compassionate, and globally-minded learners who are ready to thrive in an ever-changing world. Thank you for your continued trust and support. Together, let us make this another remarkable year of learning and achievement.
