A MESSAGE FROM OUR PRINCIPAL

MS CATHERINE FOO BEE YEN

Growing Together, Rising Towards Excellence

Dear KRIS Community,

September has been a meaningful month for our King's Reign International School community, filled with opportunities to celebrate our identity, recognise student achievements and strengthen our commitment to holistic education.

Our Merdeka Celebration and Language Month Closing Ceremony brought our community together in appreciation of Malaysia's independence, cultural diversity and the importance of communication. Through English, Mandarin and Bahasa Melayu, our students were reminded that language is more than a subject to be learnt — it is a bridge that connects people, cultures and ideas.

Beyond the classroom, we are proud to celebrate our students who continue to demonstrate dedication, courage and perseverance in sports and academic competitions. Whether representing themselves, our school or Negeri Sembilan, their efforts reflect the importance of discipline, resilience and a willingness to keep improving. We also recognise that achievement is not measured by results alone, but by the character, confidence and determination developed along the way.

Our youngest learners have continued to explore the world through hands-on activities, creative expression, early mathematical discovery and language experiences. These everyday moments of curiosity and growth remind us that meaningful learning begins when children feel encouraged to explore, ask questions and discover their potential.

Another important milestone this month was our collaboration with PSB Academy, Singapore, and GoUni Consulting Services. By exploring new educational pathways and opportunities for further study, we are taking steps towards helping our students make informed decisions about their futures and the possibilities that await them beyond secondary school.

At KRIS, our values of Knowledge, Resilience, Integrity and Service guide the way we learn, grow and contribute to our community. Together, with the support of our dedicated teachers, supportive parents and committed partners, we will continue to create an environment where every student is encouraged to discover their strengths and strive towards excellence.
Thank you for being an important part of the KRIS journey. Let us continue to learn with purpose, rise through challenges, lead with integrity and serve with compassion.

Warm regards,
Ms Catherine Foo Bee Yen
Principal
King's Reign International School

MERDEKA CELEBRATION & LANGUAGE MONTH 2026 CLOSING

ONE SCHOOL. THREE LANGUAGES. ENDLESS POSSIBILITIES!

14 SEPTEMBER 2026

September was a wonderful time for the KRIS community to celebrate Malaysia's national identity, cultural diversity and the power of language.

Our Merdeka Celebration and Language Month Closing Ceremony brought together students and teachers in a meaningful celebration of unity, creativity and cultural appreciation.
Throughout Language Month, a variety of exciting activities and competitions were organised to encourage students to express themselves, discover their talents and build confidence in different languages. From storytelling and public speaking to Chinese character writing, poetry recitation, patriotic singing and cultural fashion shows, our students embraced the opportunity to learn, participate and shine.

These activities provided valuable opportunities for students to develop their communication skills, creativity, confidence and appreciation of Malaysia's rich cultural heritage. Through their participation, they learnt the importance of expressing ideas clearly, respecting different traditions and celebrating the diversity that brings our community together.
Celebrating Our Winners!

We are proud to recognise and congratulate all our competition winners for their outstanding efforts and achievements. Each winner has demonstrated dedication, courage and enthusiasm, and we hope their success will inspire more students to step forward, discover their strengths and embrace new challenges.

As we share these memorable moments from the prize-giving ceremony, let us celebrate not only the achievements of our winners but also the hard work of every student who participated, the teachers who guided them and the school community that made Language Month a success. Thank you to everyone who contributed to making this celebration meaningful and memorable!

English Storytelling Competition - Lower Primary

1st Position	LOGAREIYAAN A/L R GANESAN	Year 3
2nd Position	D'TARNIA JAMES	Year 1
3rd Position	SEYNA A/P SHATTISH	Year 2

SEPTEMBER ECA HIGHLIGHTS

SPORTS & FITNESS

Muay Thai in Action

Our students continue to develop their coordination, balance and fundamental techniques while learning the importance of focus, respect and self-discipline.

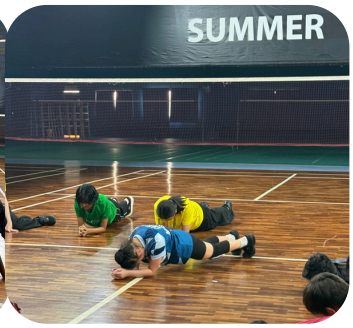

Swimming Class

The swimming pool was full of excitement as students worked on building their strokes and improving their confidence in the water.

Rhythmic Gymnastics

Through regular training, our gymnasts build flexibility, coordination, body awareness and confidence while working towards their individual and team goals.

Badminton

The swimming pool was full of excitement as students worked on building their strokes and improving their confidence in the water.

SEPTEMBER ECA HIGHLIGHTS

CREATIVITY, LIFESTYLE & WELLNESS

Beauty and Welness

Our students explored the basics of eyeshadow application, learning about colour selection, suitable shades and simple techniques to create a smooth eyeshadow base.Students developed their beauty skills, confidence and creativity while experimenting with different looks.

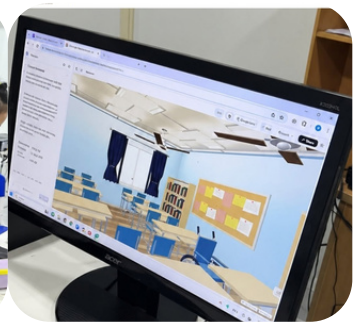

Culinary Club

Our young chefs enjoyed making vanilla waffles and caramel popcorn this month! Through hands-on cooking, they practised basic kitchen skills, followed instructions and explored their creativity while preparing delicious treats.

Al Modelling

Our young digital creators explored the trending **Genjutsu Effect** during this month's AI Club session, experimenting with AI-assisted video editing, creative backgrounds, visual effects and seamless transitions.

Through hands-on learning, students developed their digital creativity, visual storytelling and problem-solving skills while discovering exciting ways to bring their ideas to life.

SEPTEMBER ECA HIGHLIGHTS

ENRICHMENT & TALENT DEVELOPMENT

Violin

Our young musicians continued to develop their violin skills, practising musical notes, rhythm and technique while building concentration, patience and confidence through music.

Science Olympiad

Our young scientists explored scientific concepts and tackled challenging questions, developing critical thinking, analytical skills and curiosity about the world around them. Through problem-solving and scientific exploration, they strengthened their understanding and confidence in science.

Al Modelling

Our budding mathematicians challenged themselves with engaging mathematical problems, strengthening their logical reasoning, analytical thinking and problem-solving abilities while building confidence in tackling new challenges.

Chess

Our young strategists sharpened their minds through exciting chess games, developing logical thinking, problem-solving skills and strategic planning while learning to think ahead.

STUDENT ACHIEVEMENT HIGHLIGHTS

At KRIS, we celebrate every achievement that inspires our students to learn, grow and shine. We are proud of their dedication, perseverance and talents.

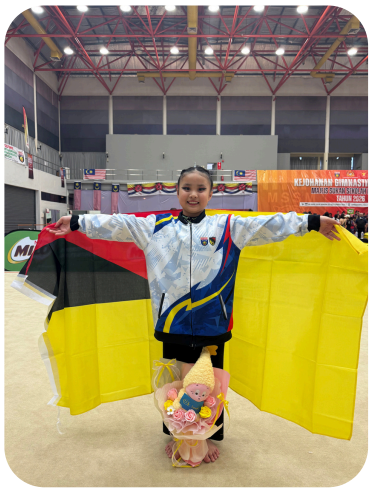

INTERNATIONAL JUNIOR SQUASH TOURNAMENTS

Congratulations to Varun Naedu Partiban, Aswin Naidu Partiban and Vikrant Naedu Partiban for their performances at two international junior squash tournaments.

Student	Southern Slam 2026	Taipei Junior Open 2026
Varun — BU13	7th	10th
Aswin — BU15	9th	7th
Vikrant — BU11	9th	13th

Their participation on the international stage reflects dedication, discipline and determination. We are proud of their continued commitment to the sport and look forward to seeing them grow from strength to strength. Keep pushing, keep improving and keep rising, boys!

A NATIONAL-LEVEL ACHIEVEMENT

A proud moment for Negeri Sembilan and KRIS!

Our Year 4 student, Cayla Seow, represented Negeri Sembilan in the Pre-Junior Category, Group Exercise (5 Ropes), at the MSSM Rhythmic Gymnastics Championship held at Gymnasium 2, Bukit Jalil, from 28 August to 2 September 2026

Together with her teammates, Cayla secured 9th position nationally in the group event.

We congratulate Cayla on this achievement. Her perseverance, teamwork and commitment are an inspiration to our school community.

Keep shining, Cayla!

Whether in sports, music, academics, the arts or beyond, every achievement represents courage, commitment and a willingness to grow.

STUDENT ACHIEVEMENT HIGHLIGHTS

At KRIS, we celebrate every achievement that inspires our students to learn, grow and shine. We are proud of their dedication, perseverance and talents.

DARVIN A/L SIVA KUMAR — TAEKWONDO

KRIS proudly recognises Darvin A/L Siva Kumar for participating in the NS Taekwondo Championship 2026 on 19 September in the Kyorugi category for ages 15–17.

His involvement reflects the importance of commitment, resilience, discipline and sportsmanship. We also extend our appreciation to his parents for their encouragement and continued support throughout his sporting journey.
Train hard. Stay humble. Keep rising.

LAU YAN YI & MIGUEL LEE JIA HYUN — SWIMMING

Our young swimmers delivered impressive results at the Mad Wave – NS Sprint Challenge 2026, held on 30–31 August.

Lau Yan Yi — Girls 13–14

- 2nd Runner-Up – Breaststroke (50m & 100m), Mixed 4×50m Freestyle Relay and Mixed 4×50m Medley Relay

Miguel Lee Jia Hyun — Boys 11–12

- Champion in the 100 SC Metres Butterfly and 100 SC Metres Breaststroke.
- First runner-up in the 25 SC Metres Breaststroke, 50 SC Metres Breaststroke and 50 SC Metres Butterfly.

Congratulations to both swimmers for their dedication and determination in the pool!

Whether in sports, music, academics, the arts or beyond, every achievement represents courage, commitment and a willingness to grow.

Preschool Highlights

Roll & Count!

Our little learners explored early mathematical concepts through a fun and interactive dice game. By identifying the dots and counting out the corresponding quantities, they practised number recognition, one-to-one counting, observation and concentration.

Through playful, hands-on experiences, children begin to understand that numbers represent quantities in the world around them.

Roll. Count. Learn. Have Fun!

Little Hands, Big Imagination

Our preschool artists created colourful porcupine artwork using a fun fork-painting technique. By experimenting with paint, textures and different tools, they developed fine motor skills, hand-eye coordination, creativity and concentration.

Each creation was unique, allowing our young learners to express their imagination and enjoy the creative process.

Colour. Paint. Create. Imagine!

Discovering Language & Culture

Our youngest learners explored Mandarin through traditional Chinese calligraphy and music. They practised the strokes of Chinese characters and learnt the song Yue Liang Yuan (月亮圆) in preparation for the Mid-Autumn Festival.

Through writing, singing and cultural experiences, children developed language awareness while discovering the connections between communication, music and tradition.

Cotton Bud Tree!

Our little artists created colourful tree artwork using cotton buds and paint!

This fun, hands-on activity encouraged creativity, fine motor skills and hand-eye coordination while allowing children to explore colours and textures.

Create. Explore. Imagine. Grow!

BUILDING PATHWAYS BEYOND THE CLASSROOM

A MILESTONE FOR KRIS | 23 SEPTEMBER 2026

At King's Reign International School (KRIS), we believe that everyKing's Reign International School marked an important milestone through the signing of a Memorandum of Understanding with PSB Academy, Singapore, alongside collaboration agreements with GoUni Consulting Services.

The collaboration aims to broaden opportunities for students to explore further education, international exposure and future academic pathways.

Potential opportunities include Singapore study tours, reciprocal visits, collaborative activities and access to selected e-learning certificate and diploma programmes through GoUni Consulting Services.

The collaboration also includes five scholarship seats offering a 50% tuition-fee waiver for the specified PSB Academy E-Learning Certificate programme, subject to the applicable eligibility requirements and terms.

Eligible KRIS students may also qualify for discounts on selected programmes. Families are encouraged to enquire about programme availability, entry requirements, progression options and applicable benefits before making decisions.

Opening doors. Expanding horizons. Preparing for the future.
